CCCWBCA Hall of Fame Inductees
March 2008

Alicia Berber

Riverside women’s basketball coach Alicia Berber has been selected for enshrinement in the California Community Colleges Women’s Basketball Hall of Fame. Berber, who is being inducted as a player, is in her seventh season as College women’s basketball coach.

After graduating from RCC, Coach Berber attended Washington State University where she earned her bachelor’s degree. She had a tryout with the Los Angeles Sparks before settling into life as a high school coach and educator.

After a successful stint at Norte Vista High School, where she turned around a struggling program, she returned to RCC.

Berber was a three-sport star at Perris High School, and earned a scholarship to UC Riverside, but transferred to Riverside after redshirting her freshman season. Once she arrived at RCC it took her little time in making her mark.

She concluded her career with 1,280 points, then a college record. In all, Coach Berber holds six single-season records, six career records and three single-game records. She was the conference MVP her sophomore season and led the Tigers to the state championships. Berber also was named a KODAK All-American, the first and only in the College’s history.

Berber is a well recognized coach, having been selected as the District’s Coach of the Year in 2005 and the 2006 CCCWBCA State Coach of the Year for Southern California.

The induction to the California Community College Women’s Basketball Hall of Fame will actually be her second enshrinement after being inducted into the Riverside Community College District Hall of Fame in 2007.

Coach Berber is married to Frank Berber and they reside in Riverside with their son and daughter.
Dave Stricklin

Ever since he began his coaching career, Dave Stricklin has been synonymous with success.

After three years as an assistant coach, Stricklin took over at Golden West College and he quickly set the standard for community college basketball.

In eight seasons as head coach at Golden West, Stricklin compiled an unbelievable record of 259-27, and reached the 200-win plateau as fast as anyone in community college history. While winning seven championships in eight seasons, Stricklin’s teams averaged over 32 wins and only three losses a season.

During his time in California, he also won two state titles. In 1989-90, Stricklin led the Rustlers to a 37-1 record and then followed it up the next season with a 35-1 record and another state title. In 1994, with a record of 35-3, he fell in the championship game to Los Angeles Harbor.

While at Golden West, Stricklin wasn’t about just wins and trophies. He helped 53 student-athletes earn their associate degrees and had 50 players transfer out with scholarships.

Although, Stricklin eventually took his game north to Umpqua in Roseberg, Oregon, he hardly forgot how to put together winning teams. In his first year as head coach at Umpqua his team posted an impressive 25-8 record as the Timberwomen reached the Final Four, shattered 14 UCC and NWAACC records and became the highest scoring community college team in Pacific Northwest history by averaging nearly 90 points per game.

Stricklin’s second season was even more impressive. Starting five freshmen most of the season, Umpqua rolled to a 29-4 record and captured the school’s first ever NWAACC Championship. Stricklin was named both the Southern Region and NWAACC Coach of the Year. In 1999 Umpqua won the NWAACC So. Region Championship again with a 28-4 record giving Coach Stricklin another Coach of the Year award.

The 2000 season saw Umpqua win it’s second NWAACC Championship with a near perfect 31-1 record and Stricklin was again named the Southern Region and NWAACC Coach of the Year. It was also the 13th consecutive year that Coach Stricklin’s teams have won at least 25 games. In 2001 Umpqua finished 24-5, and at the end of the season Stricklin was recognized at the NCAA National Coach of the Year banquet in St. Louis, MO. for winning his 400th game.

* Denotes Active Coaches
With Experience (Head or Assistant) at a Four-Year College(s)

One of the reasons for successful transferring of our student athletes to four-year schools is the high level of coaching experience around the state. The following lists former and present head coaches who have presently or formerly coached at the four-year level as an assistant or head coach. (* Denotes current head coaches.)
