Softball Camp History

Pirate Softball Camps have been established for over 15 years by VC Head Coach Susan Johnson to give the community of Ventura a place for their children to spend time in the summer learning the mechanics and skills needed to play this great game of softball. Our VC players, past and present will be assisting as student coaches. We have two General Skills Camps and two Specialty Camps offered this summer. We believe this will serve the interests and needs of the young athletes within our community. Take a look at our new camp offerings and we hope to see you in many of them this summer.
